2.2

Installation Manual

Ps CS6/CC

1.0 - AUTOMATIC installation

Please locate this file keep it handy:

ALCE_2.2.0.zxp

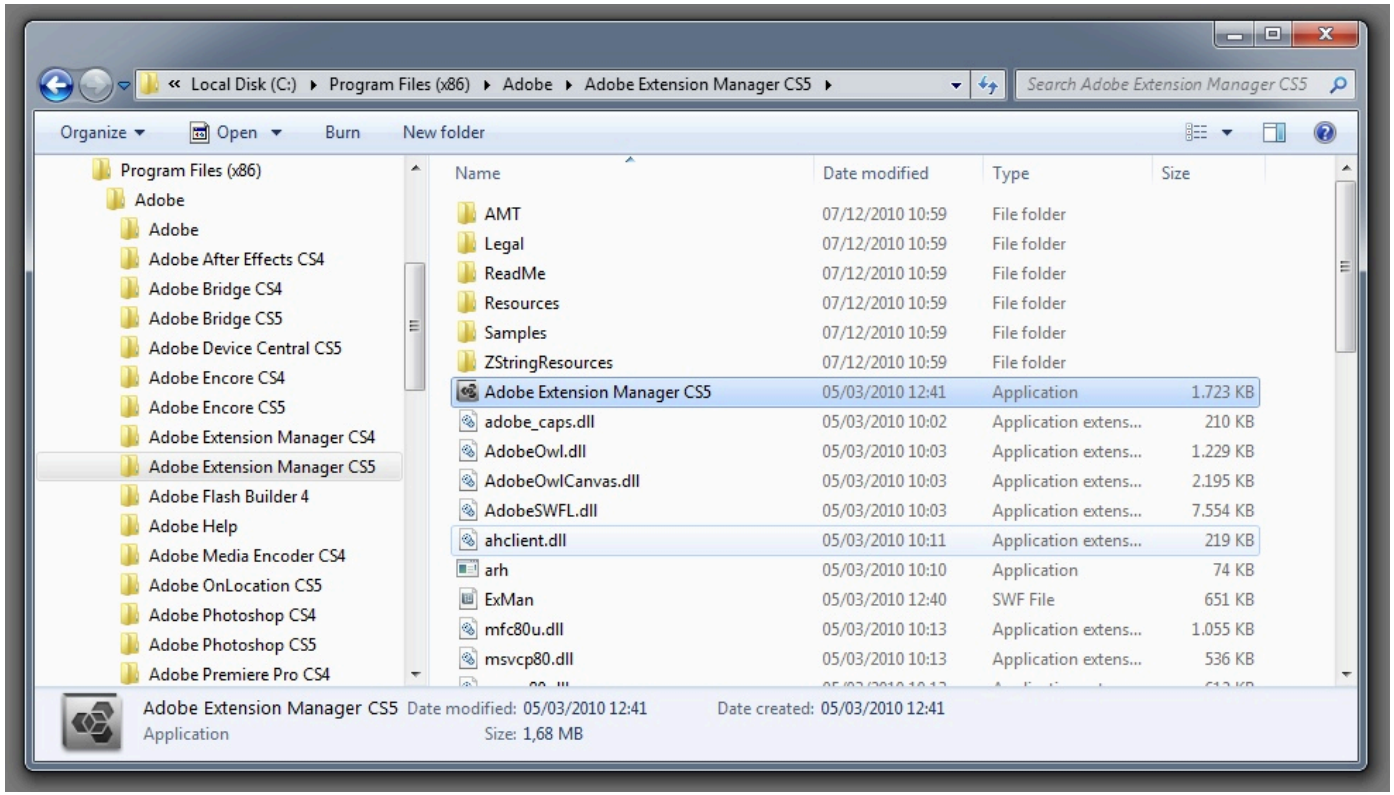
Mac users, please skip to section 1.3

1.1 - AUTOMATIC installation

PC ONLY !!

Locate the Adobe Extension Manager application (usually in this folder):

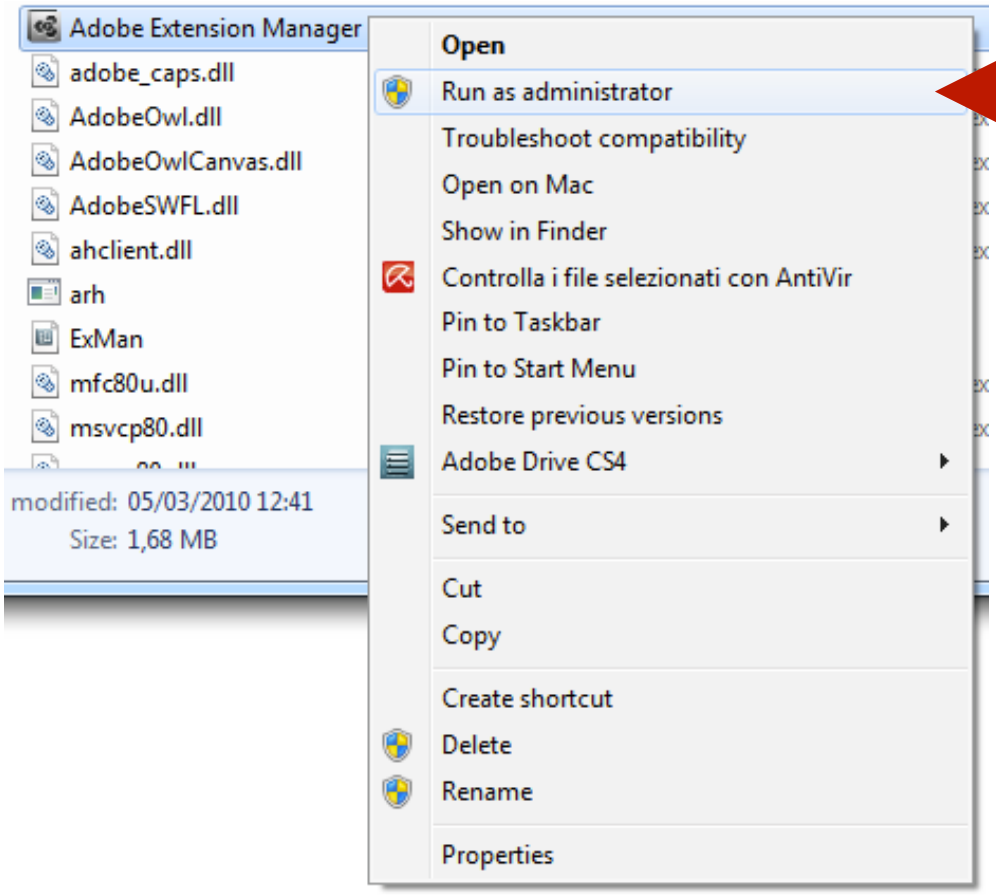
[CS6] C:\Program Files (x86)\Adobe\Adobe Extension Manager CS6
[CC] C:\Program Files (x86)\Adobe\Adobe Extension Manager CC



1.2 - AUTOMATIC installation

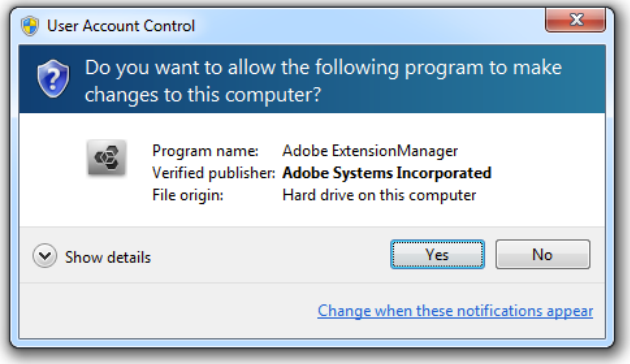
PC ONLY !!

Right-click the Adobe Extension Manager CS6 / CC program icon and choose:



Run as administrator

Enter your administrator password if requested, or click Yes to finally open Adobe Extension Manager

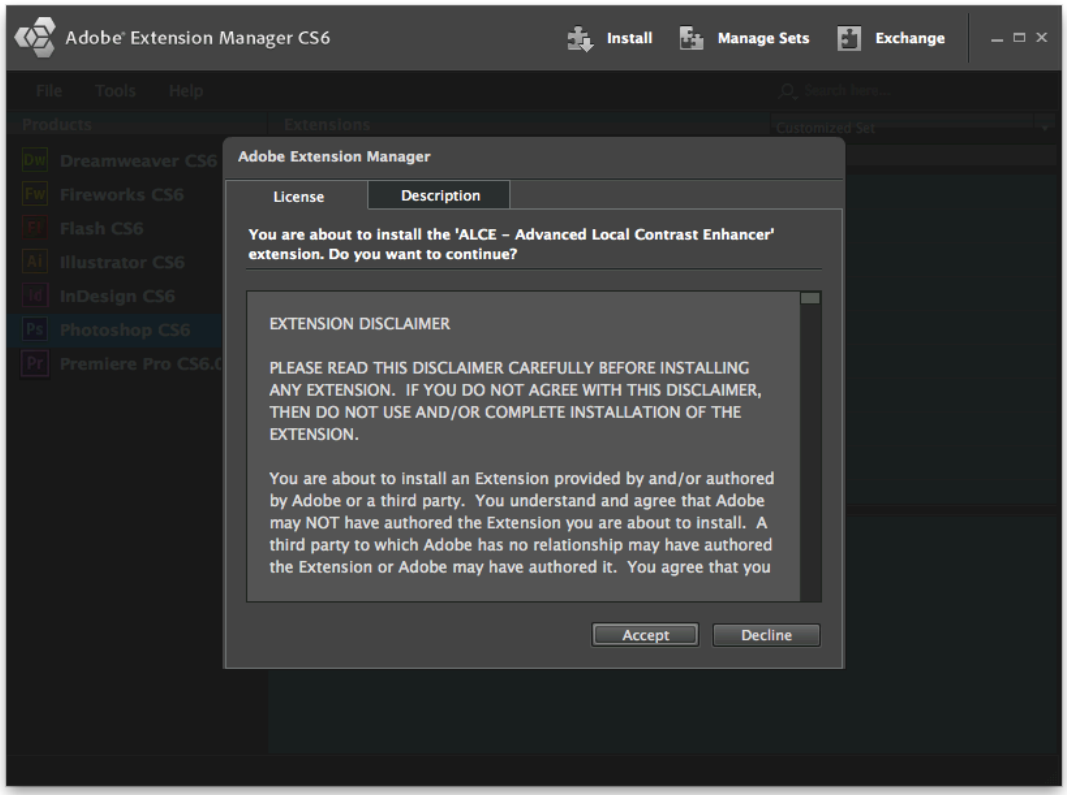


Do it even if you're already logged as Administrator!

1.3 - AUTOMATIC installation

ALCE.zxp

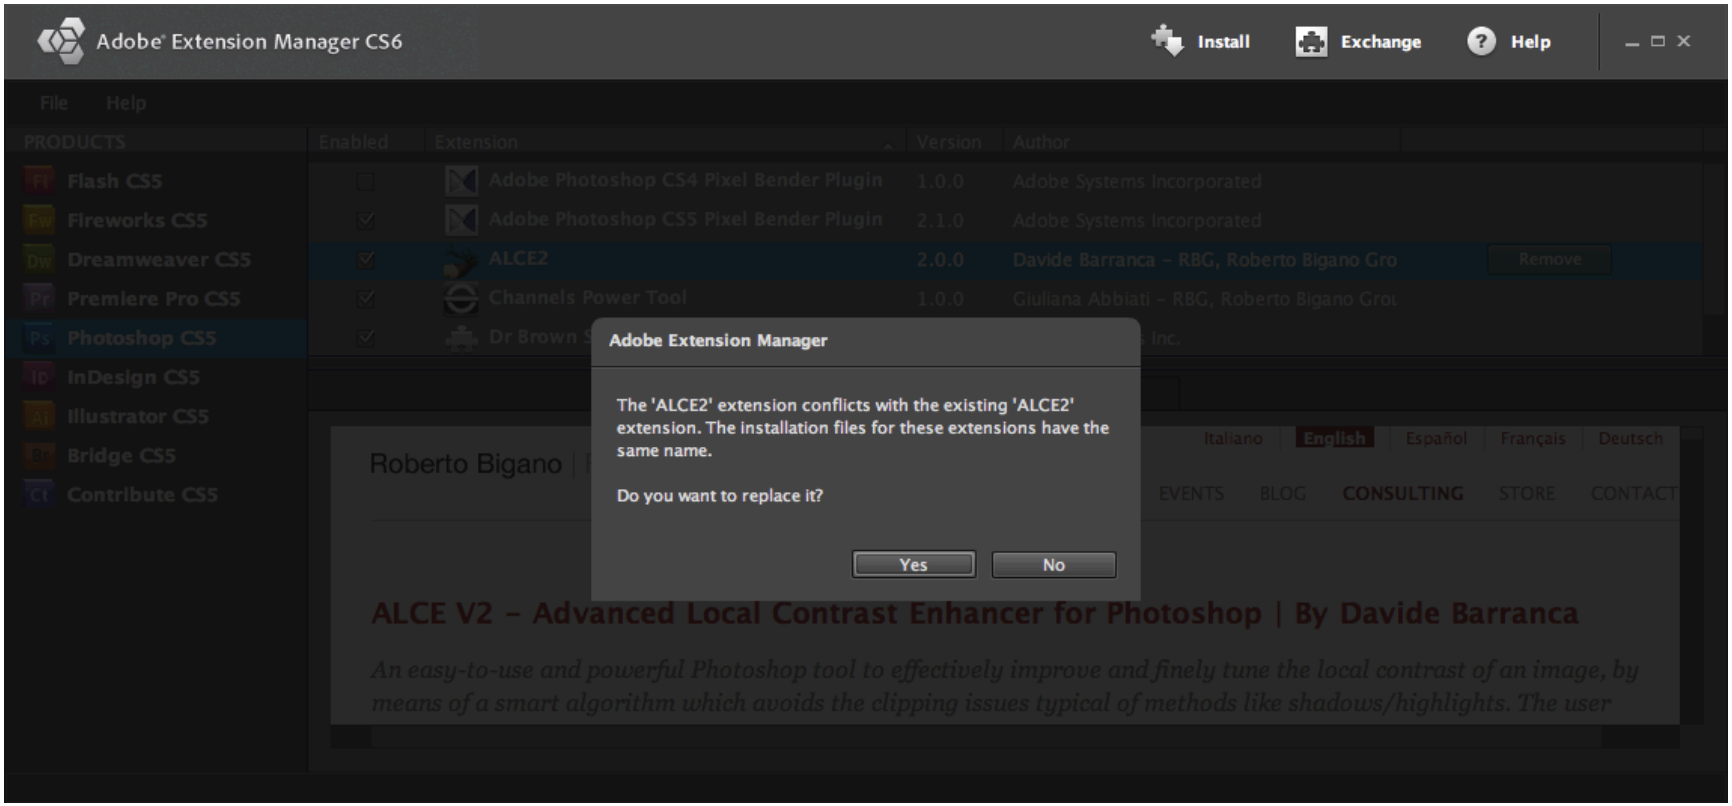
Double click the ALCE.zxp file.
Adobe Extension Manager CS6 / CC will react this way:



Click Accept to go ahead.

1.4 - AUTOMATIC installation

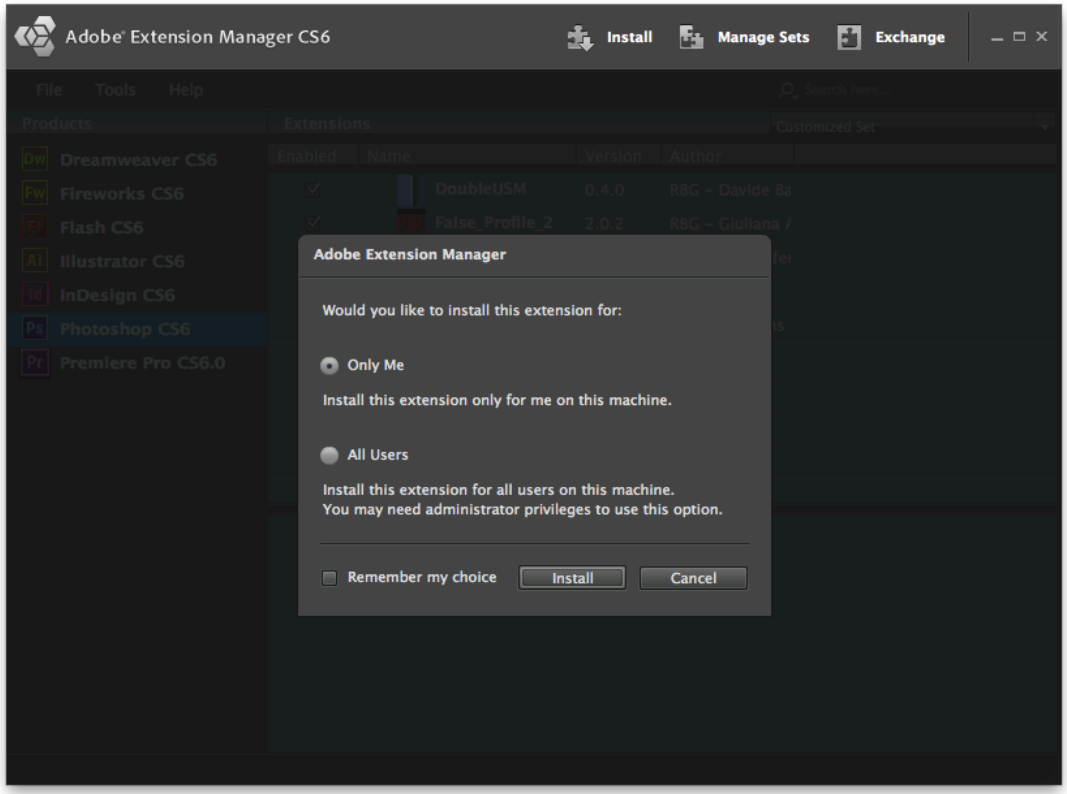
If you had a previously installed ALCE 2.x version, this alert pops up:



Click Yes to automatically remove version 2.x before installing the new one

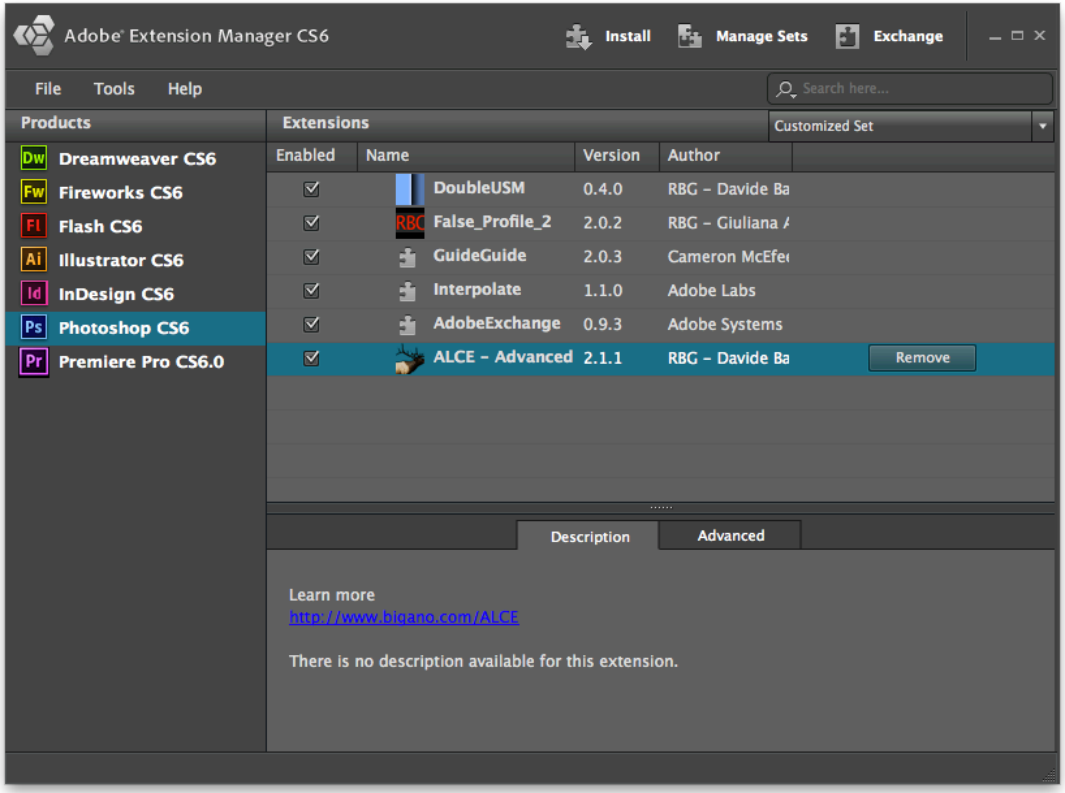
1.5 - AUTOMATIC installation

Adobe Extension Manager may ask whether to install it for your User only or All Users. If requested, enter your Administrator password.



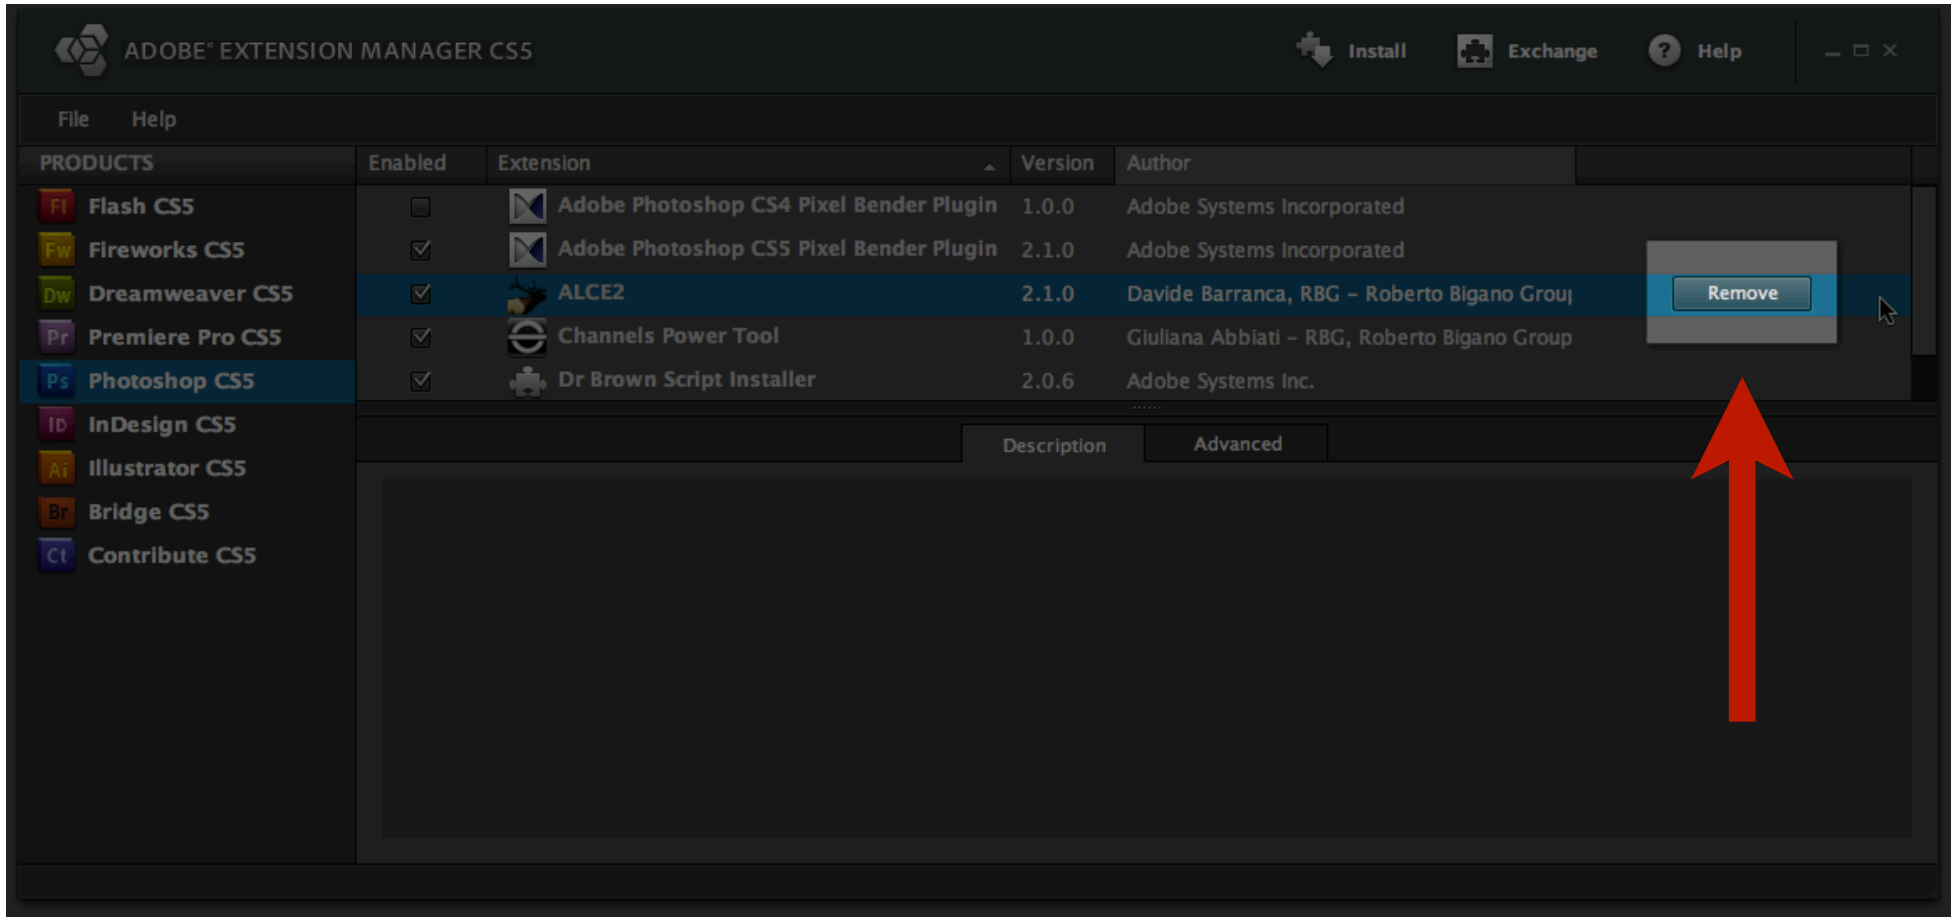
1.6 - AUTOMATIC installation

ALCE 2.2 is now installed, and listed in Extension Manager:



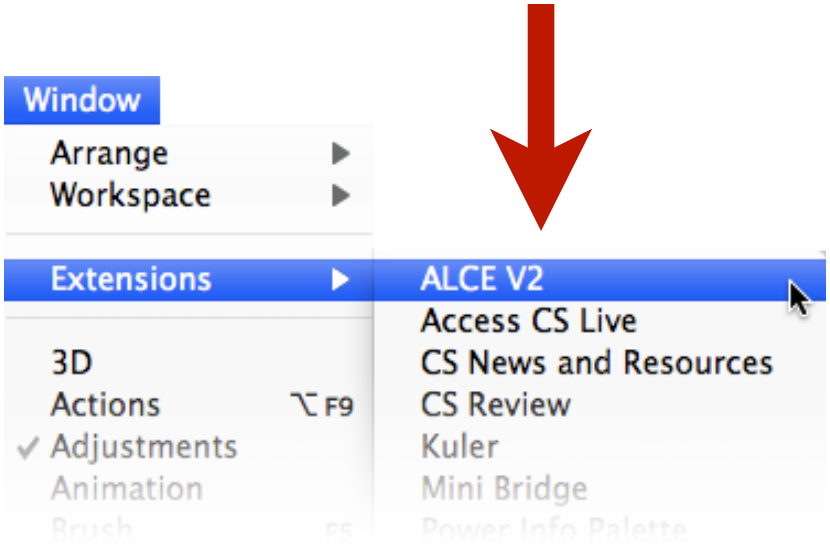
1.7 - AUTOMATIC installation

If one day you'll want to remove ALCE **click the Remove** button.

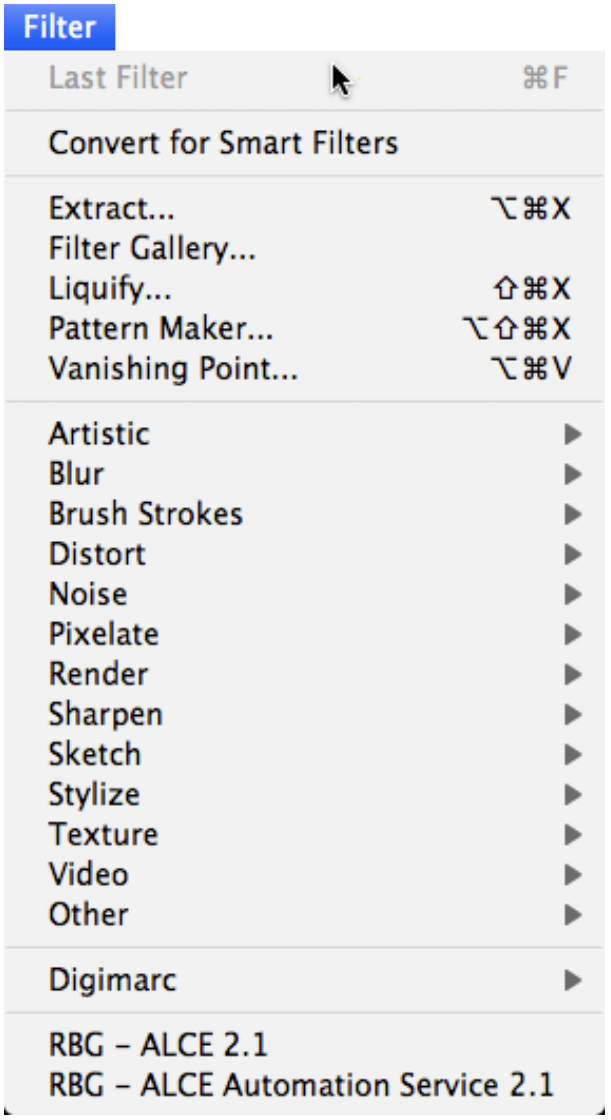


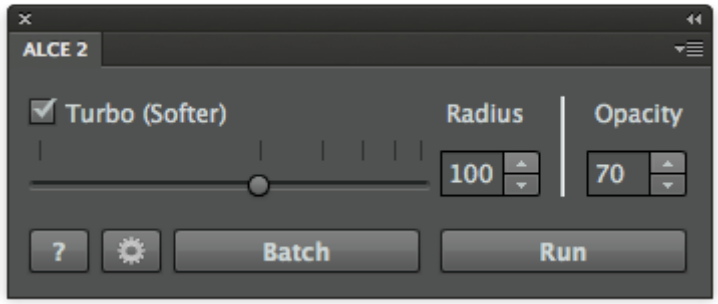
Now please restart Photoshop CS6!

You will find a new ALCE V2 item in the Window - Extensions menu



... and two new items in the Photoshop's Filter menu:



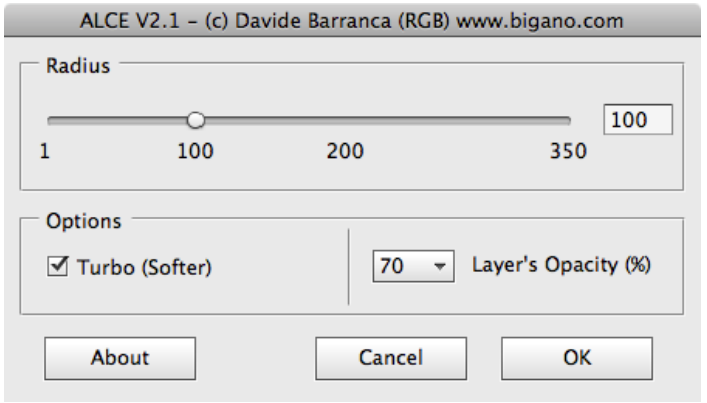


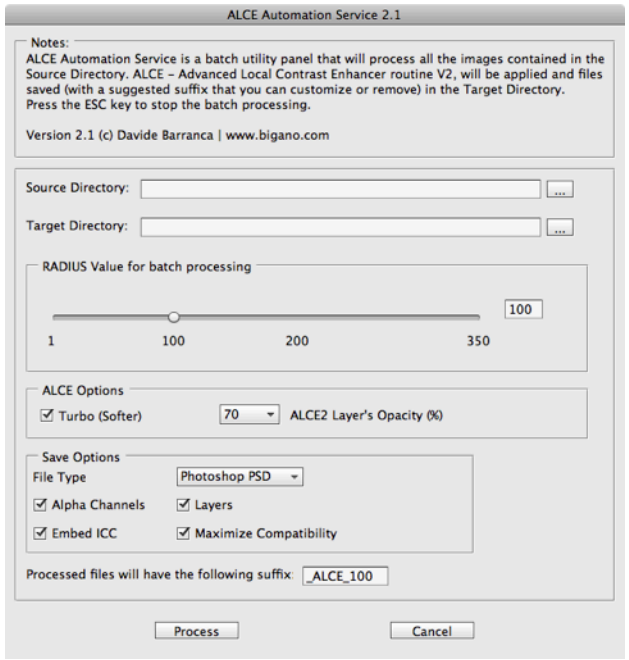
Window / Extensions / ALCE

Opens the panel that you can always keep in the Photoshop user interface. Click Run to apply ALCE to your open image, or Batch to launch the batch window.

Filter / ALCE

Alternative window that you have to use if you want to record ALCE into a Photoshop Action for automation.





Filter / ALCE Automation Service

The batch window, that automatizes the process and let you elaborate all the files in a folder.

Please refer to the *User Manual* for further information about how to apply ALCE proficiently to your images

If you've had any problem with the

AUTOMATIC Installation

please try the
