

ALCE 2.1

Readme FIRST

(please, please!)

You are HERE

and thank you for buying ALCE!

"WHAT'S IN THE ZIP I'VE DOWNLOADED?"

DOCUMENTATION

ALCE's User Manual in PDF, multi-language

(it's about the Local Contrast effect, how to modulate and tweak the result, and it will give you basic information on ALCE's interfaces).

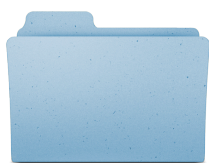

To know What's New in 2.1, please visit [this Blog post](#).

CS3

ALCE 2.1 installer for Photoshop CS3

(with Automatic + Manual installation instruction in PDF)

CS4

ALCE 2.1 installer for Photoshop CS4

(with Automatic + Manual installation instruction in PDF)

CS5

ALCE 2.1 installer for Photoshop CS5

(with Automatic + Manual installation instruction in PDF)

"WHAT'S SHOULD I DO NOW?"

1

Enter the CS3, CS4, CS5 folder depending on your version.

Read the [Installation_CS3.pdf](#) / [Installation_CS4.pdf](#) / [Installation_CS5.pdf](#) guide and install ALCE version 2.1 (try automatic installation first, then manual if automatic fails)

2

Enter the DOCUMENTATION folder.

Read the [ALCE User Manual.pdf](#) and learn how to drive ALCE. Then visit our Instructional Videos webpage [HERE](#) and see the 12 tutorials by Marco Olivotto

3

Keep visiting [our blog](#).

Life is short.

Do your best to enjoy it!
